Nipawin Primary Health Care Clinic Offers Same-Day Appointments

Recognizing that illnesses often occur unexpectedly, the Nipawin Medi-Clinic keeps at least 25 appointments available every weekday for patients with minor complaints or illnesses that cannot wait, such as sore throats, ear ache, cough, bladder infection, etc.

While the clinic does not serve walk-ins, patients can contact the clinic directly to schedule a same-day appointment. Patients are encouraged to call early, phone calls will be answered beginning at 8:30am. If available, callers will be offered a same-day appointment.

Those who have scheduled appointments are encouraged to call and cancel appointments they are unable to attend or no longer needed, freeing up slots for others who may need them.

Always call 911 in case of life threatening emergency.

Please note: The open weekday appointments are not for general exams, third party physicals or routine care.
