Kelsey Trail Health Region welcomes new physician to Melfort

Kelsey Trail Health Region is pleased to announce the arrival of a new physician to serve the residents of Melfort and surrounding area.

Dr. Alexander Watts will be providing physician services in Melfort out of the Family Physician Group effective July 10th, providing coverage for Dr. Tamzyn Levendall while she is away on maternity leave.

Dr. Watts is originally from Erickson, Manitoba. He obtained his Medical Degree at the University of Alberta and completed his Family Medicine post-graduate training at Moose Jaw.

When Dr. Levendall returns from maternity leave, Dr. Watts will be starting his own practice. Patients looking for a family physician are asked to contact Dr. Watts at 306-752-4595 to be placed on a list.

“We are very pleased to welcome Dr. Watts to Kelsey Trail and to Melfort,” stated Shane Merriman, KTHR CEO. “He will be a great addition to the Melfort physician team and we look forward to seeing him build his own practice after Dr. Levendall returns to her practice.”

Kelsey Trail Health Region would like to encourage the community of Melfort to extend a warm welcome to Dr. Watts and his wife Lucy, daughter Sayri, son Amaru and family pet Sasha, a golden retriever.
