Kelsey Trail Health Region welcomes new physician to Melfort

Kelsey Trail Health Region is pleased to announce the arrival of a new physician to serve the residents of Melfort and surrounding area.

Dr. Stephanie Nyberg will be providing physician services with the Family Physicians Group in Melfort effective Thursday, July 31st. She will be taking over Dr. Jennifer Begin's practice. Dr. Begin has resigned her position in Melfort and will be relocating to B.C. with her family in July.

Dr. Nyberg is originally from Prince Albert. She obtained her Medical Degree at the University of Saskatchewan before completing her Family Medicine post-graduate training in Prince Albert.

Patients of Dr. Begin's may contact Dr. Nyberg at her office in the Melfort Mall at 306-752-2818 to schedule an appointment. Dr. Nyberg will not be accepting any new patients at this time. In addition to practicing in Melfort, Dr. Nyberg will also practice in Tisdale on a temporary basis to help provide coverage for Dr. Tessa Richardson's maternity leave.

"The addition of Dr. Nyberg will provide a seamless transition for Dr. Begin's patients," stated Shane Merriman, KTHR CEO. "We are pleased to welcome her to the community and to the region. She will be a great addition to the Melfort physician group."

Kelsey Trail Health Region would like to encourage the community of Melfort to extend a warm welcome to Dr. Nyberg, her partner Nick Glister and their dog, Willow.
