Kelsey Trail Health Region - physician coverage in Tisdale

In addition to practicing in Melfort, Dr. Stephanie Nyberg will practice in Tisdale on a temporary basis – one day per week beginning the end of August to help provide coverage during Dr. Tessa Richardson’s maternity leave. Dr. Nyberg will only see patients of Dr. Richardson on the day she is working out of the Northeast Medical Clinic. Kelsey Trail Health Region will assist in providing locum physician services as well during this time.

During her absence, Dr. Richardson’s patients should call the Northeast Medical Clinic if they need to see a physician or in emergent cases, present at the Tisdale Hospital ER.

The Kelsey Trail Health Region continues their recruitment efforts.
