Public Health Services Temporary Location

Public Health Services in Melfort will be temporarily relocating as the result of renovations. Clients can continue to access the Public Health Services on the Main Floor of the same building at 107 Crawford Ave East. Please use the west door for entrance.

The relocation of the offices will take place on March 5 and 6. The public is encouraged to call ahead on those dates to ensure access to services. The phone number remains the same at 306-752-6310. Regular services resume in the new location on March 7.
