Dr. Alexander Watts Resigns as Family Physician in Melfort, SK

FOR IMMEDIATE RELEASE

The Saskatchewan Health Authority would like to announce that Dr. Alexander Watts has resigned from his post as Family Physician, effective Friday June 29th, 2018. Dr. Watts ask that his patients make an appointment to see him in June for any issues that are likely to come up for them in July and August (e.g. refills, referrals, etc).

The Saskatchewan Health Authority has recruited a new family physician, Dr. Geoff Zerr to serve Melfort and the surrounding area. Dr. Watts has made arrangements with Dr. Zerr to take over his practice in late August, 2018. An additional news release will be circulated regarding Dr. Zerr closer to his confirmed start date.

We would like to thank Dr. Watts for his exceptional service this past year in the community of Melfort and more recently his services in the communities of Nipawin and Tisdale. It is with warmest regards that we wish Dr. Watts success in all his future endeavors.
